**Maths Clubs**

**NPTEL**

**Communication Lab**

**Media Interaction**

**Maths Club**

Math club is a fun and competitive activity that any student can participate in. It is a great way for students to develop intuitive thinking skills and learn new types of math. Students will not only learn new material, but will apply their previous knowledge from school to fun and challenging problems. Furthermore, they will learn to view math not as a set of rules or guidelines, but as an art. Math is a subject full of creativity and opportunity that many students enjoy. Besides the academic benefits, math club is also a great way to meet new people and develop teamwork skills.

**Communication Lab**

Communication Lab was established with a vision to enhance the communication skills of students which is an essential and crucial component of success at work. Communication lab consists of advanced softwares which gives the students hands on practice on all the aspects of communication as listening , reading , writing and speaking, at the same time , faculty also can keep a track of all the students at the same time. This lab has helped to improve the performance of students tremendously.

**NPTEL**

Our Institute is a Local Chapter for NPTEL. To promote self learning and facilitate Faculty, Staff and Students for self upgrade, this initiative was taken last year and formally NPTEL Local Chapter and SWAYAM Facility was inaugurated at the Institute on 22.03.2018 at the Institute.

**Media Interaction**

In continuous efforts to enhance the overall personality, UG campus has introduced the concept of making the students well acquainted with the media happenings and interactions. In this endeavour students have participated in various programmes in the leading channels like Aaj Tak, Zee News ,NDTV etc..
